Farmmarketer.com Listing #: 1377

UNRESERVED PUBLIC AUCTION – FARMLAND (6) Miles to Lacombe!!!

April 17th, 2010 – 1:00 PM Sharp

On Location at Montgomery Auction Services Ltd. main auction yard site – Blackfalds

Directions: East of # 2A on Lakeside Sargent Road 2 +/- Miles;

North side of Lakeside Sargent Road

This is a bare farmland quarter located 3 ½ miles west of #2 highway on #12 to Range Road 27-5; 3 miles west north on west side of range road; only 1 mile from pavement The quarter section has approx. 3.0 Ac subdivided from the extreme NE corner of the quarter section. Currently the arable acres are seeded to hay and/or pasture. The land has been used for hay production and intensive grazing. The hay was underseeded in 2002 and is due to be rotated. There is a centre alley approx. 40 feet wide running the width of most of the quarter and a secondary alley approx. 24 ft wide running in a north/south configuration. There are approx. (11) various sized hay/pasture paddocks. There is a suitable building site in the extreme SE corner of the parcel. More arable acres would be available with fences removed and improvements made.
